Assalamu Alaikum wa Rahmatullahi wa Brakatohu

We are sending you RAMADAN GUIDELINE TIMETABLE 1433H /2012 CE. for Tokyo. You may print it by your Masjid, Musalla or organization name. Please read following notes carefully.

1. This RAMADAN GUIDELINE TIMETABLE 1433H /2012CE. is made according to ICJ published booklet.
2. We have checked Sunrise, Zawal and Sunset times by Temmondai, Japan. There is very little difference from the ICJ booklet on some dates. Therefore we have changed it according to Temmondai, Japan.
3. No Salat should be offered exactly on Sunrise, Zawal (noon-mid day) and at Sunset times.
4. These daily five Salat times and Sunrise and Sunset times are for Tokyo only. Other areas should adjust accordingly.
5. Asr Salat time is based on Misl shadow, Mislain base time for Asr Salat is about 45 minutes after what is given in the table. Both are correct.
6. We have to be sure of Sunset for Iftar and Sohur closing time which is before start of Fajr Salat time. Please do Iftar 2 minutes after Sunset time. Stop Sohur eating and drinking 2 minutes before Fajr time giving in the Timetable.
